REMARKS

In the Advisory Action to which this Amendment responds, applicant's proposed Amendment filed on 9 February 2007 was refused entry because it raised new issues that would require further consideration, in particular, the amendment to the last five lines of claim 1 was found to raise new issues that would require further consideration and/or search.

This Amendment cancels claim 1, as well as claims 7 and 8, which depend from claim 1.

The application is now believed to be in condition for allowance and the same is respectfully requested.

Respectfully submitted,

ANDRUS, SCEALES, STARKE & SAWALL, LLP
